

► The Senator II HD

► Performance is not measured by how fast the bus will go, but rather by its passenger comfort and protection. The Senator II HD, with its rock-solid, steel cage frame offering passengers the best protection possible. Built on Ford's F550 chassis, the Senator II HD utilizes straight side wall construction and features a wide aisle to maximize shoulder space, giving your passengers the comfort they expect and deserve.

The Senator II HD is designed to accommodate a variety of seating arrangements including wheelchair accessibility and various storage options for luggage. The XL's chassis features proven gas and diesel engines built by Ford, which is known for quality and reliability over the long haul. Choose the Senator II HD...because performance matters.
